26th June 2022—13th Sunday of Ordinary Time

## The Sacred Heart of Our Lord Jesus

The month of June is a special month of devotion to the Sacred Heart of Jesus. This devotion has a long history in the life of the Church, arising from the contemplation of God's divine love for us.

The devotion grew especially through St. Margaret Mary Alacoque, who had a vision of wherein Jesus permitted her to rest her head upon His Heart. Our Lord disclosed to her the wonders of His love, telling her that despite our human ingratitude that He desired to make this love more known to mankind. He asked to be honoured under the symbol of His 'Heart of Flesh' and called for more frequent reception of Communion, especially on the first Friday of each month, and for consecration to His Most Sacred Heart.

In the encyclical *Haurietis Aquas (on Devotion to the Sacred Heart)* the Venerable Pope Pius XII reminds us that the heart is more than just a symbol – it is at the centre of our capacity to love others. Jesus knows our hearts, how weak they are, how broken and hardened against others they are – and so he draws us into his own Sacred Heart, to give us the love and healing that we all so desperately need.

And so, in this month of special devotion, at a time in history “when so many evils meet our gaze” (Pope Pius XII), let us take the time to gaze upon the most Sacred Heart of Jesus, especially in the Eucharist, and to encounter the unending, merciful love of God.
